

Muluken Mesfin

Software Developer & IT Support

Passionate Computer Science graduate from Wolkite University (BSc, 2023; CGPA 3.35) with a strong interest in building practical software solutions. Experienced in developing web and cross-platform mobile applications using React Native and Flutter, with solid skills in Python, JavaScript, PHP, and SQL. Comfortable working with MySQL and SQL Server, front-end technologies, and modern development tools. A fast learner and problem solver who enjoys turning ideas into reliable applications and contributing to collaborative, forward-thinking development teams.
